Varsity Sports

Understanding and application of the educational goals of the Barker Central School Interscholastic Sports Program is expected at the Varsity level.

Varsity teams play to win the contest, but participants should accept the fact that important lessons are to be learned from losing.

It is recognized that all students may not participate in every contest. The

to the team and the understanding of their role on the team.

The Barker Central School District is committed to promoting the proper idea of sportsmanship, ethical conduct and fair play at all sports activities. We will oppose instances and activities, which run counter to the best values of athletic competition, in order to ensure the well-being of all students.

x Coaches will welcome discussions including, but not limited to the following:

f

Varsity interscholastic athletic competition by evaluating their physical maturity, fitness and skill. An athlete may not try out until the entire process has been completed. This is the approved process by the New

and/or school year and as previously mentioned.

After School

Students are encouraged to stay after school to get additional academic assistance or when available, students can participate in after school

Once a student competes in a contest, the athlete will not be able to be considered for a transfer from one sport to another.

Trying Out for a Team
